## CHARACTER BUILDING

HE Military school is essentially a school for the formation of character. Three or four years spent at such an institution will result in changing a weak and often wilful boy into a sturdy and self-reliant youth considerate of the rights of others, but aware of his own rights and capable of attaining them. War is not glorified in Military schools, but so long as injustice oppression exists in the world, there will be need for courage and determination to resist abuse of power. A graduate of a military school far from being of a pugnacious disposition, is apt to be just the reverse, for he is so evidently able to take care of himself that no one is tempted to impose on him. As among nations, so with individuals, preparedness is the best guarantee against aggression.

While there is no relation between the U. S. Army and the military organization in schools, except that army officers are assigned as military instructors by the government, a knowledge of elementary military science, garrison duties, field work, military engineering, the manual of arms, company drills, and the general conduct of military maneuvers, furnishes an excellent preparation for a commission in the army for those desirous of serving their country as officers.

**MILITARY**

The Permanent makeovers came out on the 20th of October, much to the joy of a few and the disappointment of many. The resulting drills have shown us that Major Roller and Major Chester certainly knew what they were about when they made these appointments. Talking of drills, the corps has been showing much greater interest than was shown last year in military duties. This is in a great measure due to varied programs which have eliminated the existence of monotony. To illustrate, on November 8th, Major Roller gave us a drill, and in its place the "rats" had a dancing class under the leadership of Bolling, M., the music being served by the "Cadet Ramblers."

This year's rifle team is not waiting for spring to come, but has already begun practice under the leadership of Major Yates. This year's team shapes up well and we are confident that they will enjoy a more successful season than last year.

OLLOWING the Thanksgiving dinner on Friday night November 25th, A. M. A. had its first formal dance of the year which proved to be a great success. Into a crowded program it was impossible to have an opening hop and instead a beautiful Thanksgiving dance was given. Memorial Hall was beautifully decorated. Orange and black with colored lights around the sides blended in to add the effect. A great number of girls were present. This hop is one that is long to be remembered as Augusta's best dance. A good time was enjoyed by all.

The dance was led by Cadet Lieut. McCallister with Miss Elizabeth Hanes, the assistant leader was Cadet Captain Palmetory with Miss Isabelle Jones. The music was furnished by Vice's Seven Aces for the formal and Jennings Campell and his Cadet Ramblers played for the informal. The following cadets attended the dance:

Cadet Fleishman with Miss Amelia Deakins, Cadet Lieut. Payne with Miss Elizabeth Cox, Cadet Hathaway with Miss Mildred Stott, Cadet Sher with Miss Ethel Bender, Cadet Capt. Robinson W. with Miss Betty McCullough, Cadet Fecheimer with Miss Theora Morriss, Cadet Turner with Miss Harriet Anderson, Cadet Captain Ambrose with Miss Helene Le Jerne, Cadet Wainwright with Miss Eva McGill, Cadet Selden with Miss Gladys Lindsey, Cadet Shuff with Miss Kathleen Lindsey, Cadet Mountcastle with Miss Betty Schutze, Cadet Smith R. with Miss Elsie Carlton, Cadet Daniel with Miss Lula Stringfellow, Cadet Lathrop with Miss Julia Gooch, Cadet Baker A. with Miss Margaret Baker, Cadet Mosely with Miss Margaret Cress, Cadet Lieut. ### A. M. A. DEFEATS S. V. A.

Playing their first game away from home, the Augusta football team journeyed to Winchester on October 29th, and continued their winning streak by defeating the S. V. A. eleven, 13 to 0. Although A. M. A. did not show up as well as in previous games, there was little doubt after the first several plays as to the outcome. Augusta's first touchdown was made in the third quarter when Bach broke through on an end cut-back for a spectacular sixty-five yard run for a touchdown. The second score was made by Smith after a pass from Roller to Bach that placed the ball on the one yard line. The only long run for S. V. A. was made by McMillan on a fake kick formation for thirty yards, but who was stopped by Bach. Capt. Runnels, Smith, Bach, and Byers did best work for Augusta while Capt. Bailey, Rolf, and McMillan starred for S. V. A. Slusser's punting which averaged over forty yards is also worthy of praise.

### AUGUSTA CONTINUES WINNING STREAK BY DEFEATING DANVILLE MILITARY ACADEMY 13 TO 0

The team accompanied by the corps journeyed to Lexington to meet the strong undefeated Danville eleven. Augusta took the field following the V. M. I.-N. Carolina game. Danville kicked to Augusta, Slusser returned the ball twenty yards. On the first play Roller took the ball for seven yards on an end run. On the next play a costly fumble gave the ball to Danville

on our thirty yard line from where they tried to drop kick and failed. Augusta was given the ball on the thirty yard line. McAllister paved the way for a touchdown by a beautiful thirty-five yard run through centre followed by a long pass from Smith to Runnels which netted Augusta's first touchdown. The kick for extra point went wild. Augusta's second score came in the second half after a series of line bucks which placed the ball on Augusta's two yard line. And then the faithful McAllister carried the pigskin across for the final tally on his famous touchdown play, a cross buck. Capt. Rheinhart, Rivercome, Hydliner, did best work for Danville many times breaking through Augusta's line for short gains. Capt. Runnels, Slusser, Baker, Smith, and McAllister were the mainstays for Augusta. The only casualty of the game was a sprained shoulder by Curtis, Augusta guard, who was in shape for the Fishburne game on Thanksgiving.

### MASSANUTTEN DEFEATS AUGUSTA BY LONE POINT

In one of the most interesting and hard fought games of the season, the Massanutten Military Academy defeated A. M. A. by the slim margin of 13-12. Throughout the game it was impossible to predict what the outcome would be, so closely were the teams matched, although, except for the last quarter, Augusta held the lead.

Augusta kicked to start the game, and in five minutes Massanutten had the ball on A. M. A.'s 1-foot line. Here the blue team held, and the try for a field goal was missed. With the ball on her own 20 yard line, Augusta started a march of 80 yards that terminated in a three-yard plunge by Bach for a touchdown. Much of the credit for this march was due to "Bev" Smith, who proved as easy to catch as an eel on a rainy day. Massanutten also scored in this quarter when a beautiful run-back of a kick-off, two long passes, and several line bucks put the ball across. Both tries for goal failed leaving the score 6-6.

Augusta's second score came in the third period when Mc-

Allister went over the line after "straight football" had carried the ball to the 2-yard line. In the last quarter, after a long pass had put the ball on Augusta's 30-yard line, Herdric scored on a beautiful end run. Massanutten kicked the goal that spelled defeat for Augusta. The remainder of the game found the pigskin continually hovering around mid-field, A. M. A.'s long passes in the last few minutes being in vain. The outstanding players in the game were: Capt. Runnels, Conway, McIntryre, and Payne, who played a fighting consistent game, and easily made up for the loss of our two regular tackles. These men were mentioned saving an exclusive line for Smith whose long end-runs time and again netted long gains. Augusta made 19 first downs to 14 for the victors. Railey also showed what kind of back he was in the short time he was in for A. M. A.

#### A. M. A. DOWNS SHENANDOAH

On November 19th, Augusta's big blue team had a bit of a let-up in the form of a game with S. C. I. The latter, an inexperienced but fighting aggregation, gave the first, second, and third teams plenty of practice and many moments of worry. The final outcome of the game was a 13-0 verdict, with A. M. A. on the long end.

For the home team Smith and Slusser were the stars. While Shaffer was the big light for S. C. I. Augusta made another touchdown when Flishman intercepted a pass and ran 40 yards, but was called back because of off side.

#### AUGUSTA LOSES FINAL GAME

On November the 24th, the football season of A. M. A. came to a thrilling close, when the big blue team was defeated by F. M. S. 13 to 0. The victors clearly were the best aggregation, but the Augusta boys went down fighting and twice stemmed the tide in the shadow of their goal posts. Goldsmith of the victors was clearly the star of the game. He ran, passed, kicked, tackled and played a clean game of football. For the losers the stars were Slusser, Harris, Smith, and Runnels. Slusser, the first named, played the best game of his life and was a constant menace to red-jerseyed warriors.

The game was attended by about 3000 people. The grey of the cadets mingling with the brilliant colorings of the fair sex from Stuart Hall, Fairfax Hall, and Virginia at large. Before the game Augusta's corps gave an exhibition of marching and followed by forming a square around the band. From this formation came yells and songs that made many an alumnus long for "the old days." Between the halfs the Fishburne corps spelled out F. M. S. and gave their yells and songs. The attendance of the game was made up of people from all over Virginia, North Carolina and quite a few cars were to be seen from Maryland and New York. The game in detail:

Goldsmith kicked off over the goal line and it was Augusta's ball on the 20 yard line. On the first play Smith tore through left tackle for 15 yards. He made 2 yards on the next play at the same place, and then Slusser squirmed through right tackle twice for 2 more first downs. On the next play Augusta lost 15 yards for holding and then Smith threw passes which just evaded Bach. McAllister kicked the ball to Milligan at mid-field where Curtis downed him in his tracks. Goldsmith made three yards off tackle and McGregor picked up three more on a lateral pass from Lemon. Goldsmith kicked to Roller who returned it 15 yards. Then Roller made 3 yards off tackle McAllister lost 2 yards when he recovered his own fumble and then picked up four around end. He then kicked but the kick was partially blocked and it was Fishburne's ball on Augusta's 45 yard line. McGregor fumbled, but recovered for a six yard gain. Goldsmith then went around end and eluded 3 tackles for a thirty yard gain. Then Goldsmith threw a forward to Lemon for a touchdown. Goldsmith kicked the point. The remainder of the quarter resulted in a kicking duel between McAllister and Goldsmith with the honors going to the latter. Augusta's only chance to score came when a long pass from Smith to Slusser went for 40 yards. Outsided of a heated argument between Runnels and Poss the second half was "tame" compared to the rest of the game. There was much kicking and Smith got off a few good passes, but the ball hugged close to mid-field.

We regret to say that the papers containing a write-up of the second half was lost due to the fault of no one. However no memory can be dimmed to let us forget the gallant fight Augusta put up against a team superior in every department except courage. A. M. A. heaved passes of every sort and description, but most of them landed on the sod, while a goodly number of the rest were intercepted by alert Fishburne backs. One of these paved the way for a second touchdown by Goldsmith. The final score being 13 to 0.

The line-up:

Mattox .....	R. E. ....	Runnels (Capt.)
Poss .....	R. T. ....	Merrick
Houff .....	R. G. ....	Harris

FISHBURNE	POSITION	AUGUSTA

#### BOXING AND WRESTLING

Boxing, one of the sports that brought Augusta a championship last year seems destined to be one of our most brilliant seasons again this year. The letter men back this year are Payne, Robinson W., Ghris, Timberlake, and Merrick. The only losses are McClammy and Dockery, and their shoes will be filled by a wealth of new men. Capt. Denton will again coach the leather pushers and will be assisted by Capt. Barnwell.

Wrestling is another sport in which A. M. A. was undefeated last year. The prospectus is not so brilliant as that of last year due to the fact that the only letter men back are Conway and Harris C. However, Capt. Denton hopes to build another strong team from the new men among whom are, Kincaid, Wood B., Grimes, Pryon, Cease W., McCutchan, Hussy, Wood W., Dorsey, Alexander, and Palmer A.

#### MINOR ATHLETICS

In the last, three weeks the cadets of A. M. A. have been able to view a number of gridiron spectacles besides the varsity games.

The first of these battle was a game between Lexington High School and Dauntless "Tigers of Captain Reveille. In this game weight, age and experience gave the visitors a 13 to 7 victory.

Two days later the same team journeyed to Fishburne to play the F. M. S. second team. The A. M. A. team was clearly outclassed by a superior team and went down before a 15 to 0 count. Then one the 28th a return game was played which was won although not so handily by the Waynesboro aggregation. The Tigers line-up was augmented by the presence of some early season injurys, notably by the "Unknown Twins" and the "Covington Flash." In this game Lester the satelite of the visiting team proved to be the man that gave Fishburne her victory. A strange sight was the new formation of the cheering section which seemed to give new strength to the local line-up.

The last of the minor games was a game between two teams chosen from the varsity and the Tigers. The team, so called Army led by Roller varsity quarter managed to score a touchdown to win a hard fought game 6-0.

The Cadets who played in these games appreciate the co-operation of Major Roller who did everything to encourage the organizing of different football teams and officiated in two of the "battles."

## THANKSGIVING BANQUET

On the night of November 25, Major Roller presented to us the most delightful Thanksgiving Dinner which was enjoyed immensely by all. All the cadets who had ladies on the post were allowed to invite them and many pretty faces were seen during the evening. A good many parents of the cadets were here and also attended the banquet. After the dinner was served we had some most interesting one minute talks by the following alumni:

Class of 1865—P. H. See, 1885—W. H. Landis, 1893—Dr. Whitmore, 1894—Col. Roller, 1895—Dr. A. C. Byers, 1900—J. F. Walker, 1907—Charlie Churchman, 1909 and 10—Warwick Landis, 1915—Carl Loth, 1917—from the championship team of Virginia, R. E. Christian, 1920—Capt. R. W. Kellogg, 1924 to 26—Laird Jacob, and then Capt. Carter who covered the team from 1907 to 27.

And last but not least the most interesting part was the awarding of the football, men who had earned them by their hard work during the season. The following men received their letters:

For the third time, Capt. Runnels; for the third time assistant Capt. McAllister; for the second time, Slusser; for the second time, Smith, B.; for the second time, Harris, C.; for the first time, Roller, Conway, Baker A., Coops, Bach, Payne, Merrick, Curtis, McIntire, Carpenter, Railley, Byers, Fleshman and to our worthy manager, Cadet Timberlake. On receiving his letter each man gave a short talk after which he was cheered by the corps. The evening would not have been a success unless we could have heard from our beloved coaches, Capt. Denton and Capt. Deane. Immediately following the banquet the cadets returned to barracks to get ready for the dance.

## LEXINGTON TRIP

On the morning of November the 5th, at 8:00 a. m., the entire corps of the Augusta Military Academy departed for Lexington for its annual football trip. Augusta played Danville Military Institute in one of the hardest and cleanest fought games of the season ending in victory for Augusta, the score 13 to 0. The corps also were the guests of V. M. I. at their game with U. N. C.

In the afternoon the corps witnessed one of the most exciting college football games of the season at Alumni Field, when the strong Virginia eleven defeated W. and L. 13 to 7.

At six o'clock the corps entrained at the B. & O. station bound for Staunton. The Corps was given two hours leave in Staunton before returning to barracks.

Because of the successful trip and the good conduct of the corps, the principals gave us a holiday on the following Monday which was to have been a regular school day.

This trip was one of the most successful trips that has ever been taken by a corps of Augusta.

## BASKETBALL

The first call for the basketball squad will be given December 7. We want every man who is interested in basketball to come out. You do not need to be a well-experienced basket-

ball player, every man has an equal chance to make the squad. Basketball has always been one of the most interesting and successful sports at Augusta. This can be verified by taking its record of last year as an example. Out of twenty-two games the team lost but one, and in the South Atlantic tournament it lacked but one game of winning. Major Roller coached last year's squad after a lapse of five years, and his fine coaching and training of the men was a great factor in the team's success. We are able to say with great rejoicing that Major Roller has again consented to coach the basketball squad. We hope that we will have a big turn-out when the call is given. There are no cuts on the squads as in most of the other schools. Instead, a man is kept and coached into a capable player. Among the men who have returned from last year's squad are: Blakemore and Runnels, both letter men and Roller and Slusser who came within a few points of winning their letter last year. We regret the loss of the great number of our letter men, but we feel assured that with your co-operation in turning out for the squad and in supporting it we can keep basketball in the front at Augusta this year. Capt. Hodges will assist Major Roller in coaching the squad.

## Honor Committee

The following cadets have been voted by the cadet corps as members of the Honor Committee. The committee functions at all times in that they advise and assist cadets in their personal conduct. When a breach of the Honor Code does occur, the committee, with a Faculty member in charge, tries the case and recommends a penalty to the principal.

The four officers of the Student Body:

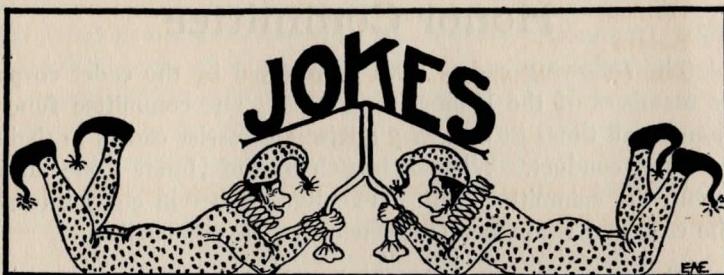

M. L. Bolling .....	President
T. J. Palmatory .....	Vice-President
J. A. Alexander .....	Treasurer
J. W. McAllister .....	Secretary

Three men from fourth year men: J. C. Carpenter, C. S. Roller, III, C. H. Payne.

Three men from third year men: C. D. Runnels, M. M. Railey, B. W. Street.

Two men from second year men: A. N. Baker, F. W. Slusser.

And one member of the faculty appointed each time.

Drunk (to a little dog that is following him): "Ket outa here, the whole damned pack of ya."

Poor Bill Cease of the A. M. A. corps  
Has lost his cape forever more.  
His secret is very dark and deep,  
But Mary Francis knows how to keep.  
So the wind will howl  
And the wind will roar,  
And poor Bill Cease can't keep warm any more.

Col: "Do you have any trouble with 'shall' and 'will'?"  
Maj: "No; my wife says 'you shall' and I say 'I will'."

A rolling football gathers no score.

Capt. Revely: "Smith, name a well-known physicist."  
Smith, T.: "Pluto Water, Sir."

Capt. Barnwell: "Your car sounds like an old wreck,  
Captain."

Capt. Revely: "It isn't the car it is the rumble seat."

Capt Kellogg: "How much time did you spend on your English Lit."

Trinkle: "About two hours, sir."  
Capt. Kellogg: "And then what happened?"  
Trinkle: "My roommate woke me up."

Dunlop: "Are you a track man?"

Kalvin: "Yes."

Dunlop: "What section do you work on?"

#### AT RANDOM

If you go around with a married woman, be able to go two rounds with her husband.

She was only a garbage collector's daughter, but she was not to be sniffed at.

She asked for bread and the curtain came down with a roll.

Papa joined the Ku Klux Klan and now we ain't got any more sheets.

#### REVEILLE TIME TALES NO. 3

They were to be married Christmas. As they sat on the rustic old bench beneath the stately old elm. Bathed in the glorious moon light they sat making plans for the coming event.

"Marg," faltered Bill awkwardly, "you believe that boys and girls should be perfectly frank with each other before getting married don't you."

"Yes, Dabney."

"And that neither should keep any secrets from the other."

"Yes, Dabney."

"Because you know one might find out later and it would cause all—all—"

"All sorts of trouble" she finished for him.

"Yes, Marge, some men might not care, but I think best to ask if—if—"

"Yes, Dabney," he answered, gazing confidently into his eyes.

"Marge perhaps I ought not demand this but I don't feel like I could get along with a woman who—who—"

"Be frank Dabney and I'll answer you honestly."

"Marge" Dabney burst out nervously, "do you squeeze a toothpaste tube from the top?"
